Dearest friends,

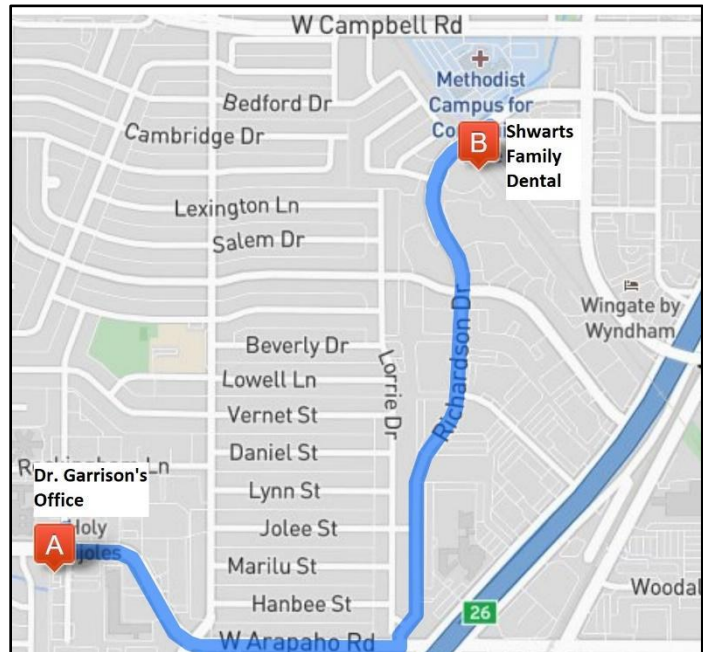

It has been my honor and pleasure to care for your dental needs for the last 40 years and to practice with my Dad, who worked in dentistry here for 39 years. After careful thought, I've decided to retire, effective April 29th, 2021. I've enjoyed watching your children grow up and caring for your parents, and I thank you deeply for your trust.

In searching for a dentist to continue your care, I found one who is very much like me in practice philosophies: Dr. Ellis Shwartz. I'm proud to call Dr. Shwartz my personal dentist, and Annie, Debra, and Jimmie anticipate joining his team. Dr. Shwartz's ethics, experience, and approach to patient treatment are qualities that I required in a doctor who will take over the care of my patients. He has my full endorsement, as well as the endorsement of my staff, who will be working with Dr. Shwartz to ensure you receive the excellent care you deserve.

Dr. Shwartz is a Dallas native who currently resides in Richardson with his wife, Laura, and their eight-month-old son, Louis. After attending the University of Texas at Austin, Dr. Shwartz received his dental degree from the UT Health Sciences Center in San Antonio.

Enclosed is a map showing how close Shwartz Family Dentistry is to our office. Dr. Shwartz's practice is located at 375 Municipal Dr., #114, Richardson, TX 75080. You can reach his office either through our phone number, (972) 235-3535, or his, (972) 437-6035. You might be greeted with a familiar voice in Annie, or you will talk to Twila. Dr. Shwartz is not a stranger to picking up the phone either. For further information, please visit his website at www.shwartzfamilydentistry.com.

I'm sure you are wondering what will happen to the current office that we have all come to know and love. Two architects, a father and son duo who specialize in mid-century modern homes, will keep the building to show off as an example of their style; I trust their care of it will do our neighborhood proud.

Thank you all again for entrusting me with your dental care over the years – Annie, Debra, Jimmie, and the rest of Dr. Shwartz's team look forward to seeing you at your next visit.

Looking forward to running into you in the waiting room,

La Juana Garrison

La Juana Garrison, DDS

To our newest family members,

Welcome to Shwartz Family Dentistry! I am extremely appreciative and humbled that Dr. Garrison chose me to continue the care of her beloved patients. I want to take this opportunity to introduce myself and tell you a little about our practice's treatment philosophy.

My philosophy is simple: to provide high-quality, conservative dental care for families in and around Richardson. My team and I want to be the dental team you trust with your loved ones' teeth for the long-haul. We're not looking to get you in and out as soon as possible to move onto the next patient -- instead, we look forward to taking the time to talk to you and really get to know you. The next time we see you, we want to be asking about your vacation or your child's soccer game.

In terms of your dental care, my primary goal is to do what is best for you, bearing in mind your unique needs and wishes for your oral health. I'm not just looking for something to fix; there is rarely just one solution for any dental problem, and I'll never assume I know what is best for you. Instead, I'll tell you what's going on, provide all the information you need to make an informed decision, and help you make the best call for your oral health.

I'm raising my own family here in Richardson with my wife, Laura. I am sure you will all get familiar with my son, Louis, since I am a proud papa and have a slideshow in the waiting room with all the baby giggles and pictures you could hope for. Laura and I are looking forward to being longstanding members of this wonderful community. No matter what your dental needs are, I hope you'll feel absolutely confident knowing you're in excellent hands when you visit us at Shwartz Family Dentistry.

Sincerely,

A handwritten signature in black ink that reads "Ellis Shwartz".

Dr. Ellis Shwartz
